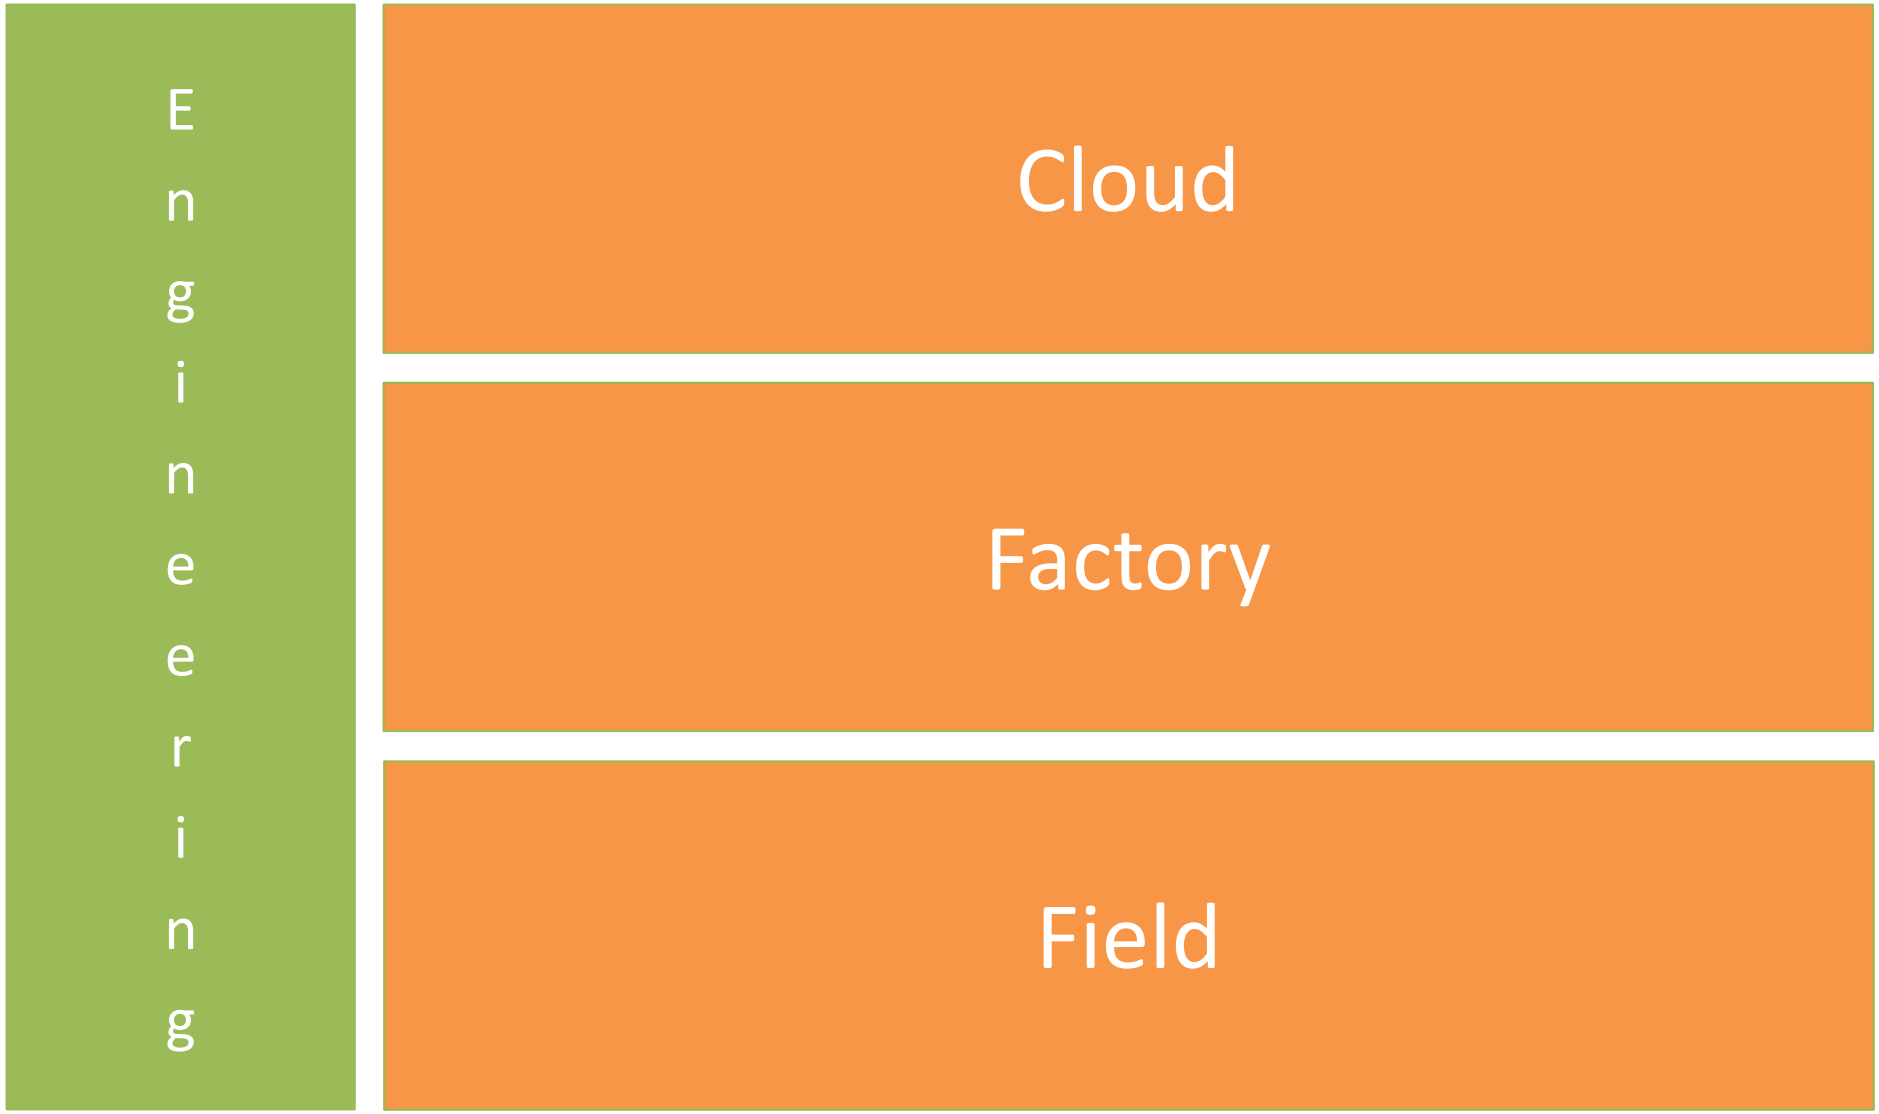
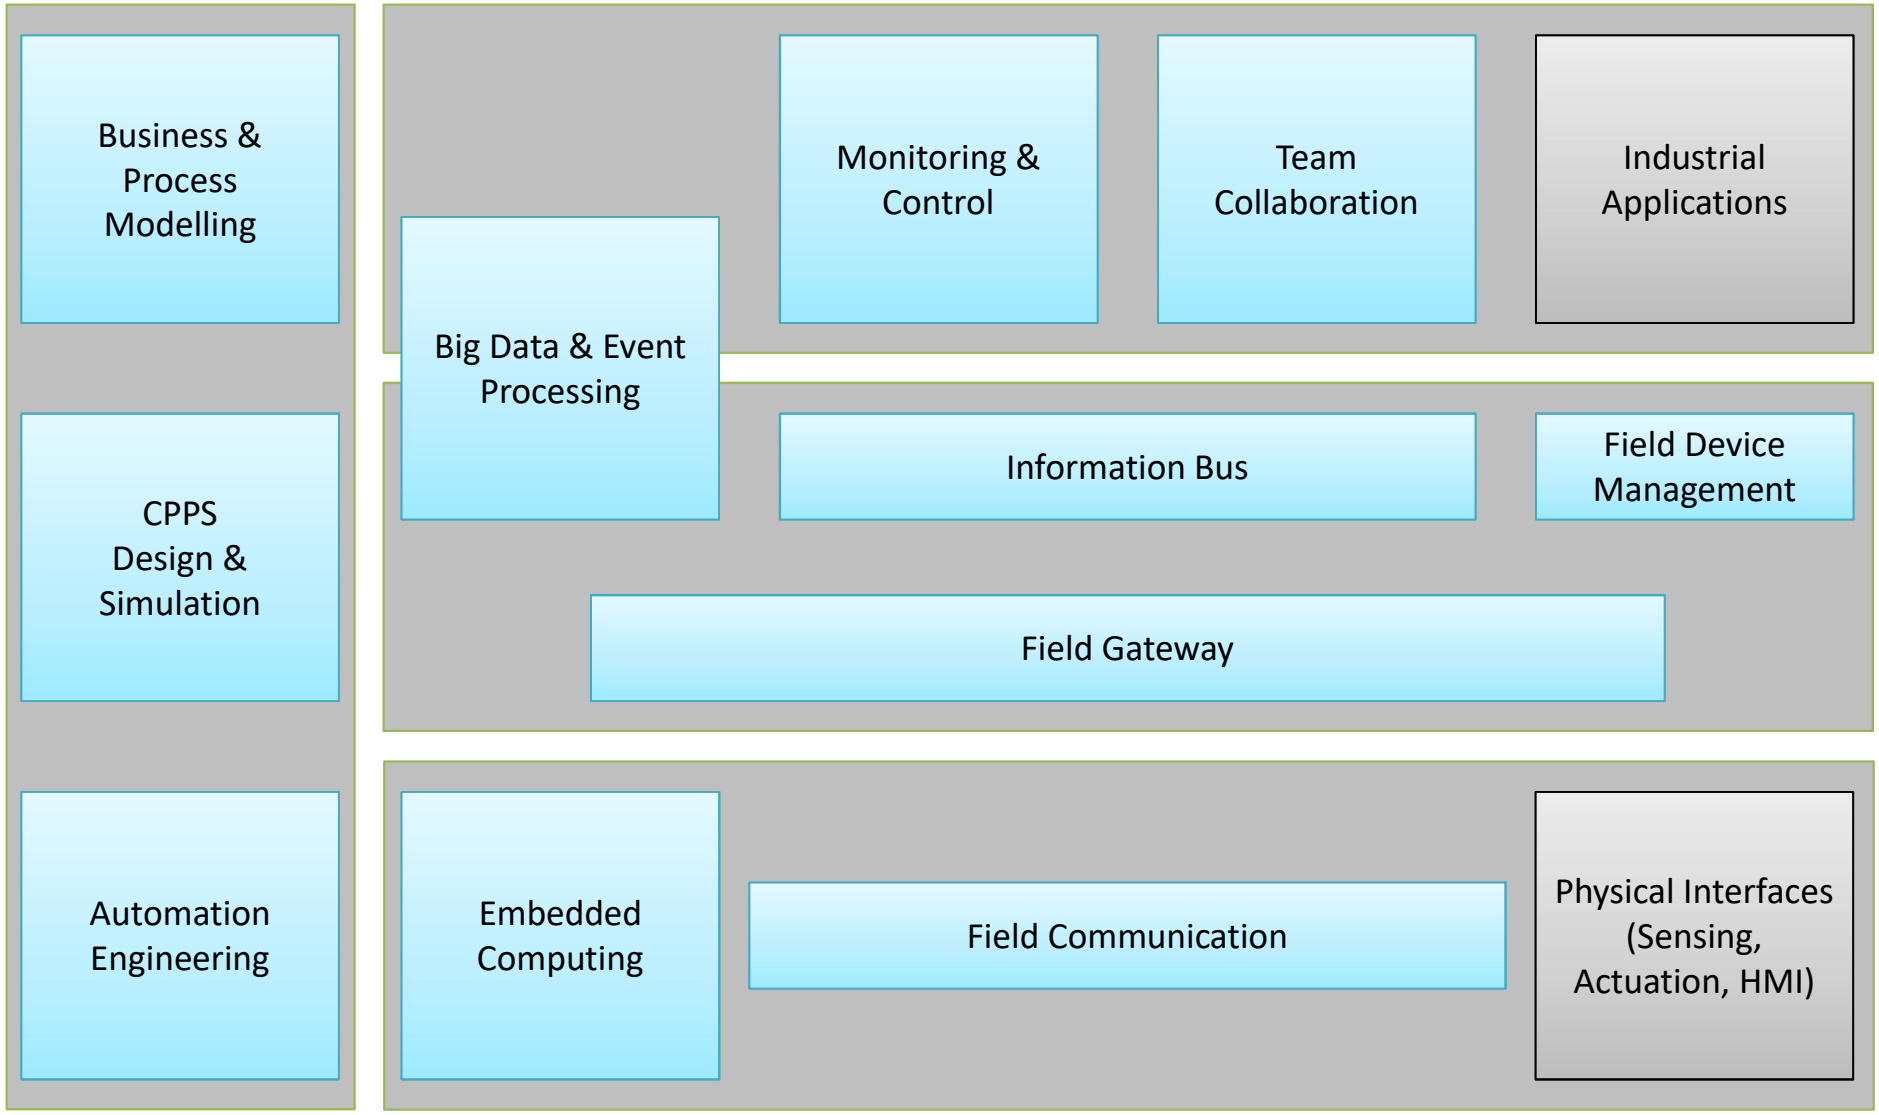
BEinCPPS Architecture – Layers



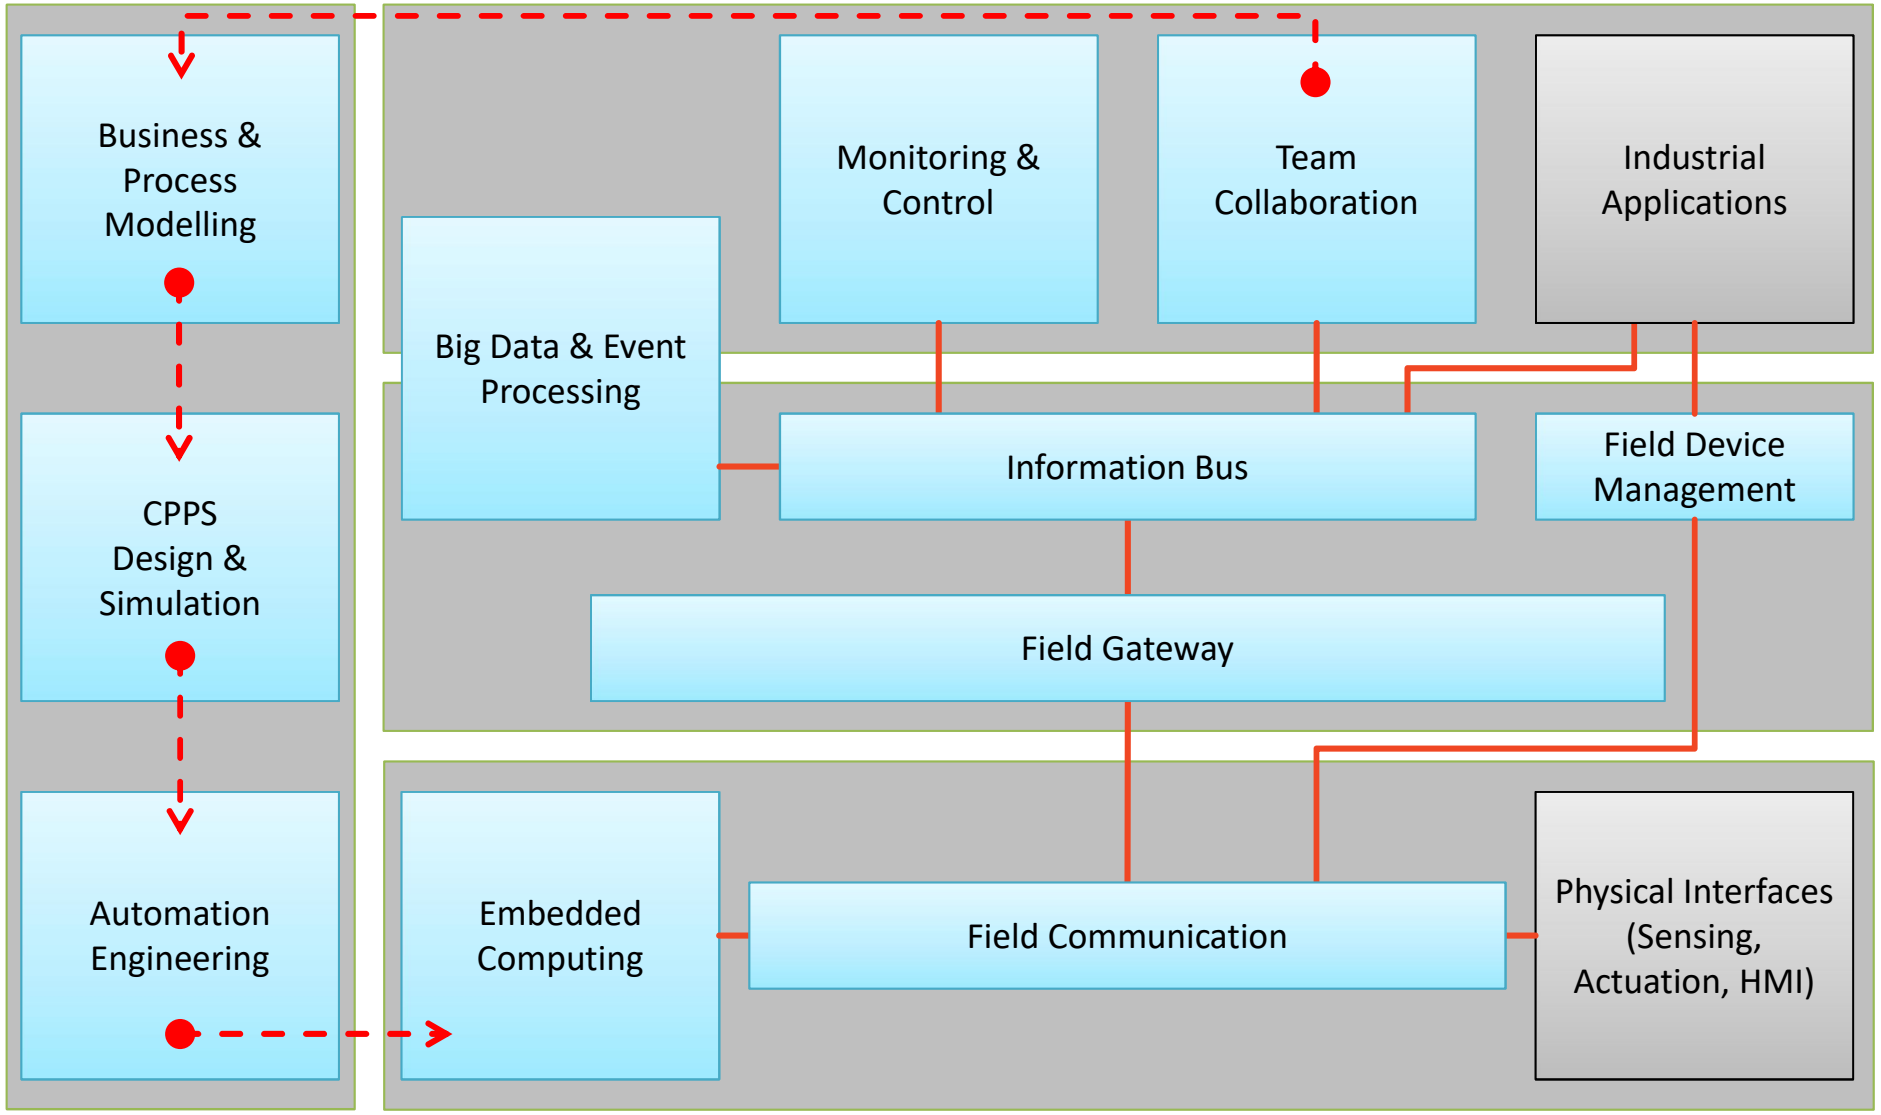
This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 680633.

BEinCPPS Architecture – Blocks



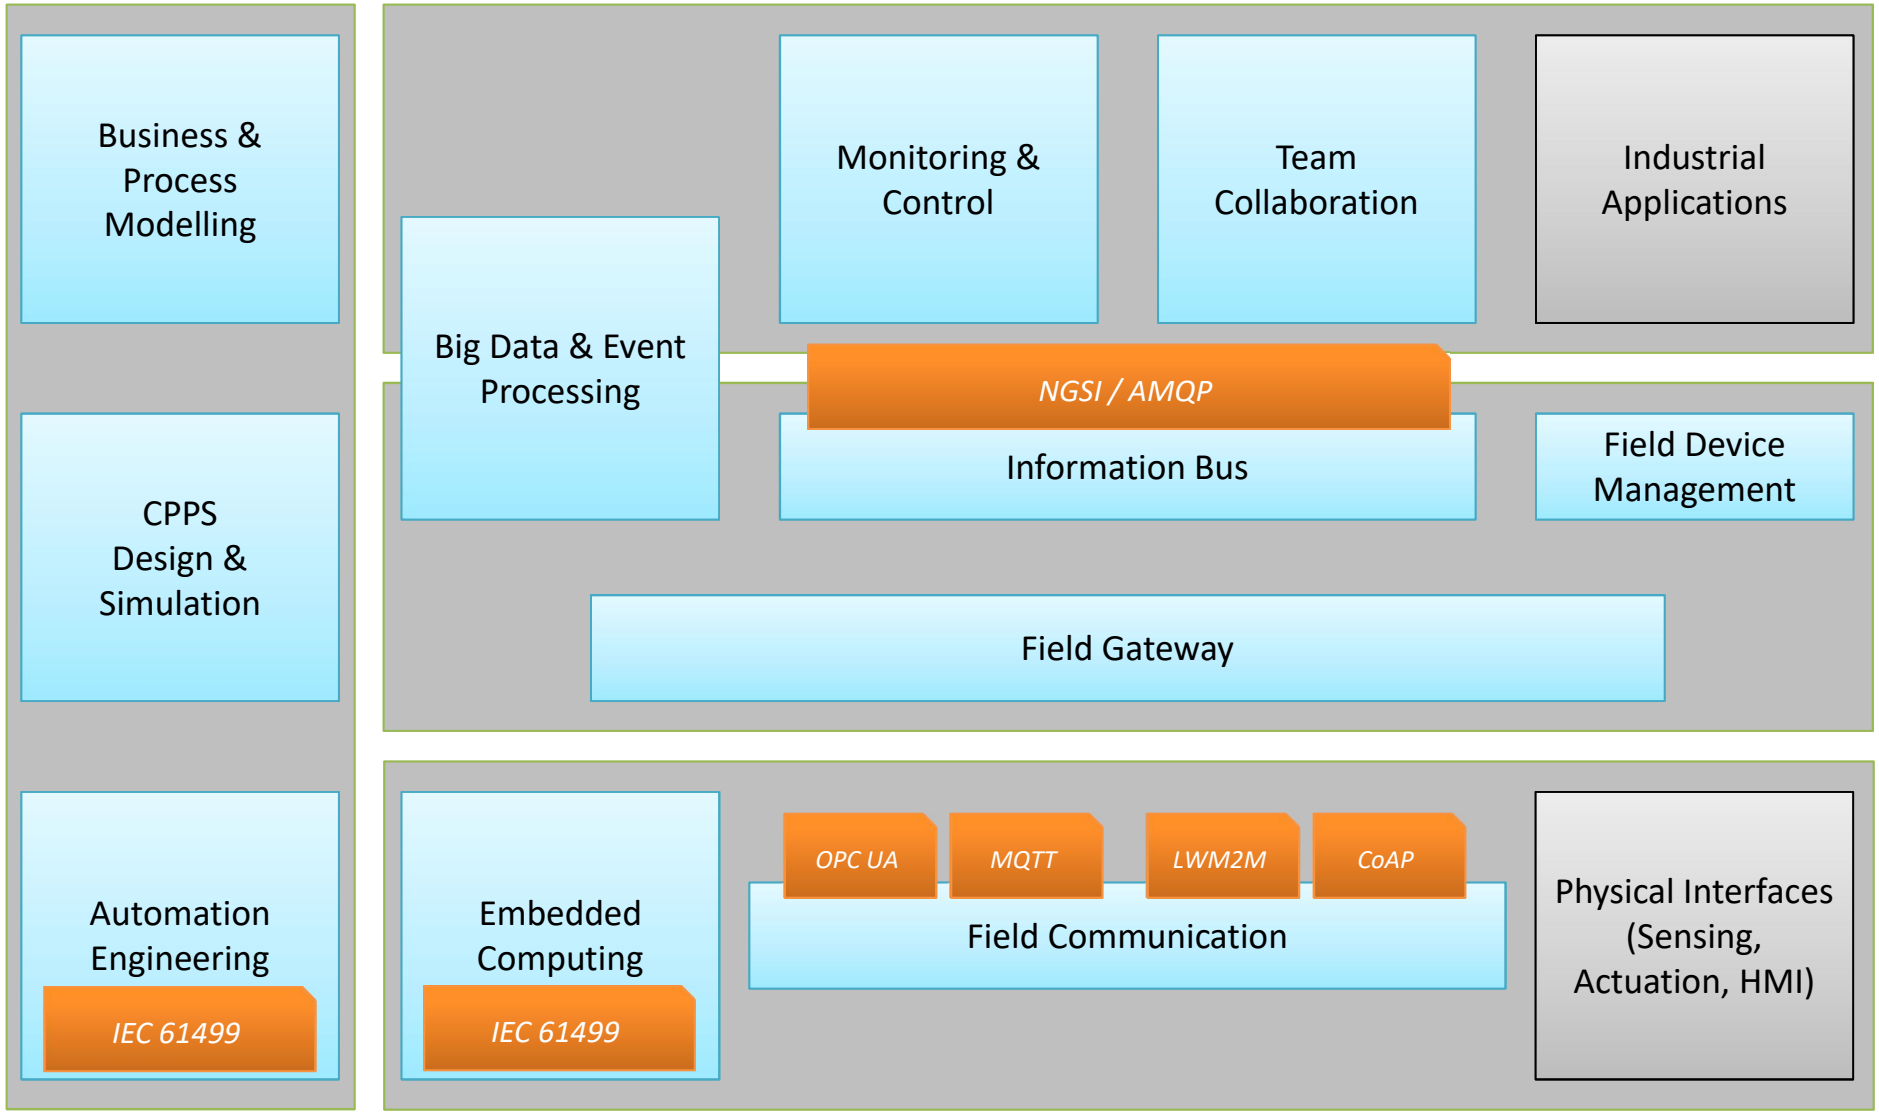
This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 680633.

BEinCPPS Architecture – Interactions



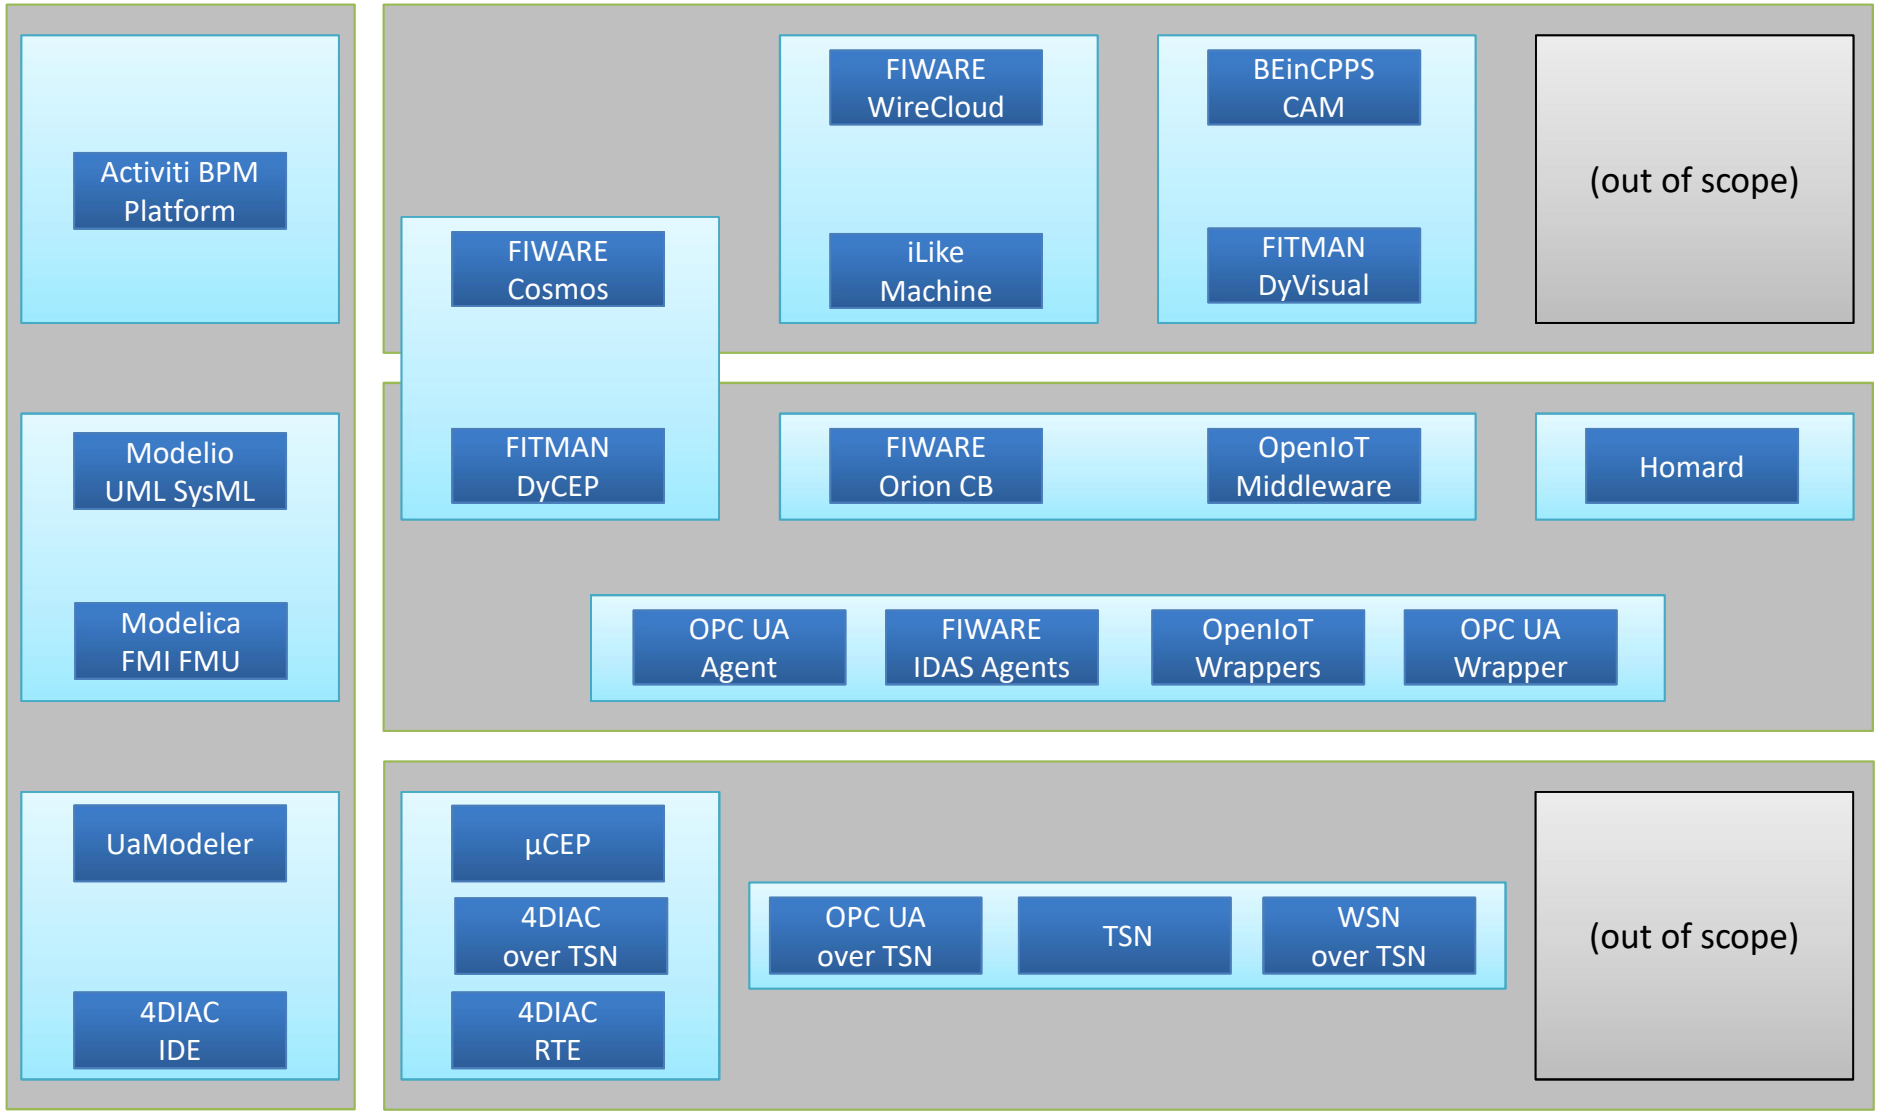
This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 680633.

BEinCPPS Architecture – Standards



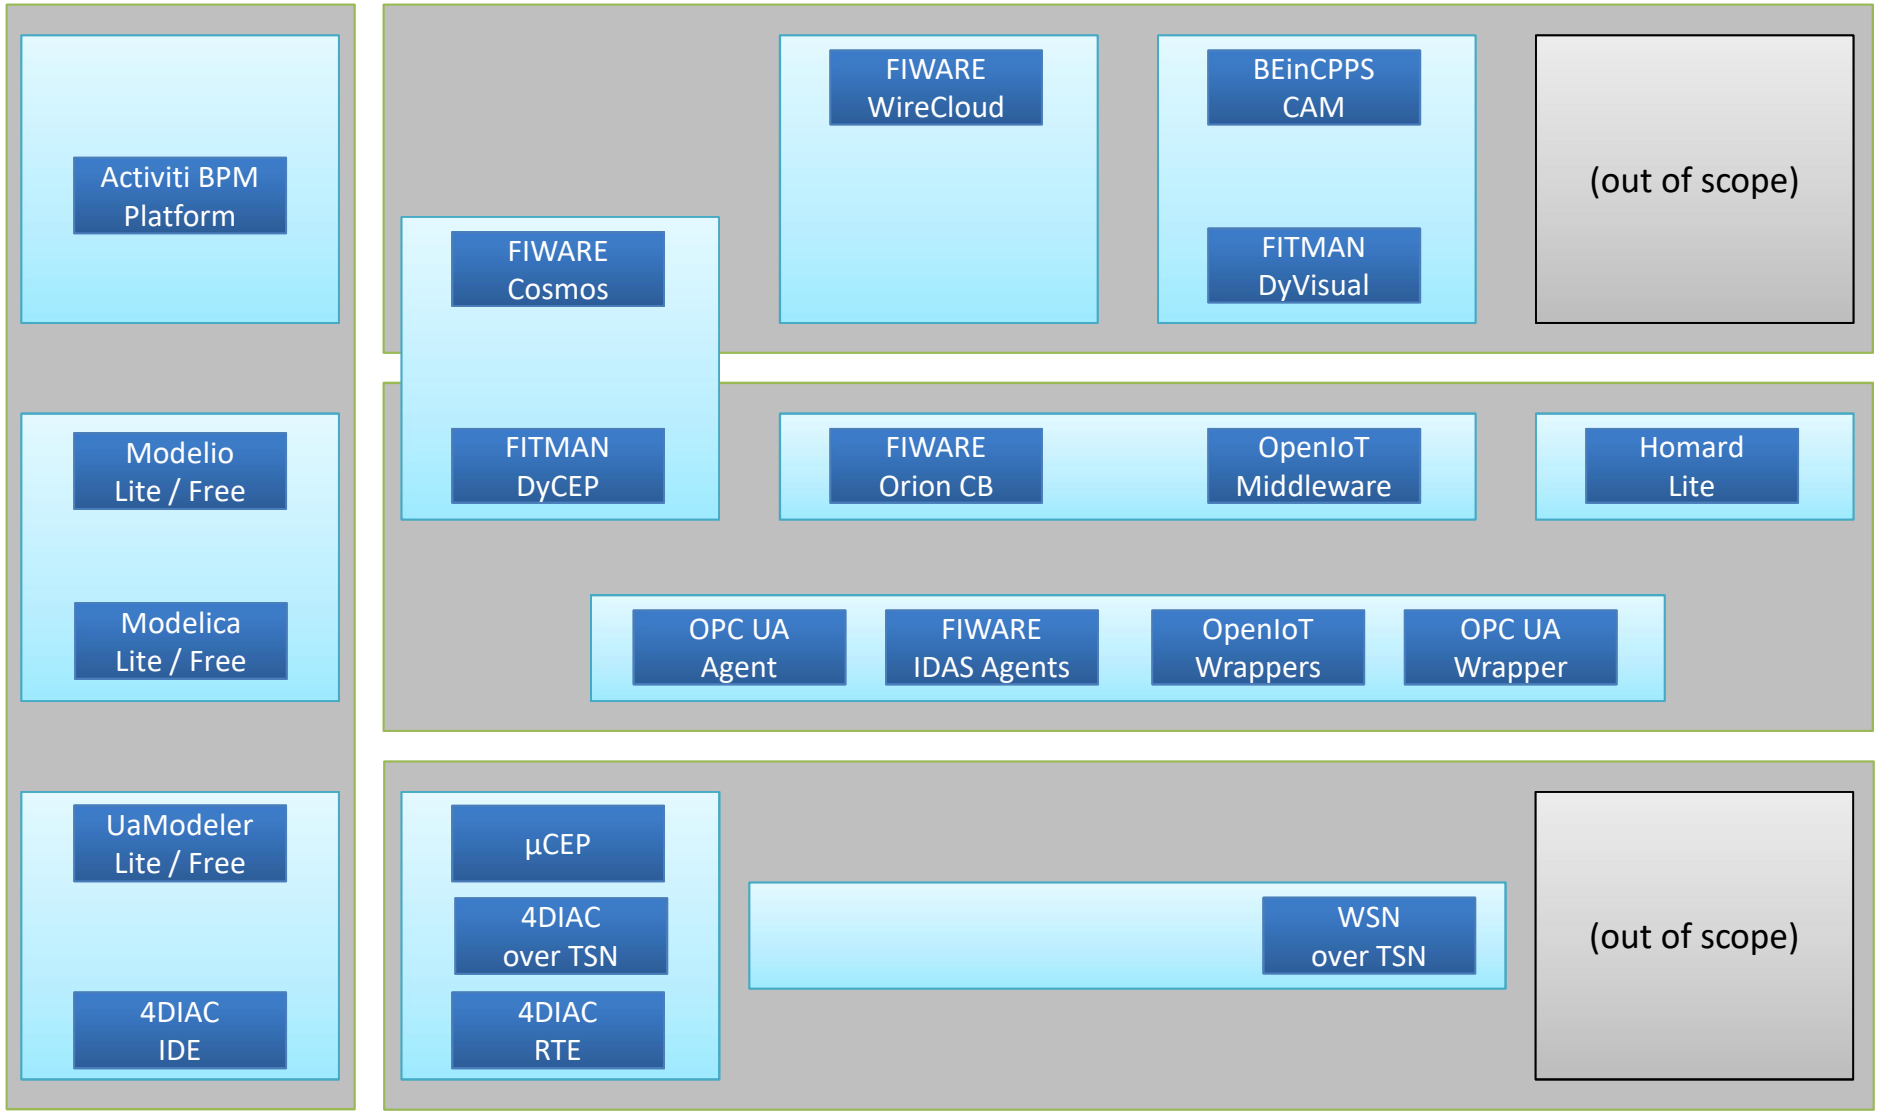
This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 680633.

BEinCPPS Architecture – Components



This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 680633.

BEinCPPS Architecture – Open Source



This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 680633.
